RoadBuddy

Developed by **RoadBuddy Team**

Revision Date 3/11/25

Sprint Completion Data 2/25/25

Sprint 3 Plan

Goal: Users can see and create carpool offers and requests

Roles:

- **Aurelia:** Front-End Developer
- **Fiona:** Front-End Developer, Scrum Master
- **Ian:** Back-End Developer
- **Jason:** Back-End Developer, Product Owner
- **Truong:** Back-End Developer

User Stories/Tasks:

- **#01: I, as a driver, want to charge passengers for my service so I can make some money.** [13 story points]
    - List payment info under carpool listing or user profile [1 hour]
    - Use API (e.g. Venmo) to allow for secure payment transactions. [3 hours]
- **#02: As a passenger, I need to be able to accept a driver's carpool offer so that I can get to my destination. [**8 Story points**]**
    - Update members of a carpool [1 hour]
- **#03: I as a passenger, I should be able to sort the trips by price so I can pay less.**[3 story points]
    - Provide an option to allow users to filter the available rides according to their desire [1 hour]
    - Make it so that carpool offers are sorted when filter changes [1 hour]
- **#04 I as a driver, I need to be able to remove passengers from my group should I wish to do so. [**2 story points**]**
    - Delete Passengers [1 hour]
    - Update offer in react native [1 hour]

Scrum Board:

User Story	To-Do	In-progress	Done
#01: I, as a driver, want to charge passengers for my service so I can make some money.			List payment info under carpool listing or user profile. [Truong] Use API (e.g. Venmo) to allow for secure payment transactions. [Truong]
As a passenger, I need to be able to accept a driver's carpool offer so that I can get to my destination.			Update members of a carpool[Truong]
#03: As a passenger, I should be able to sort the trips by price so I can pay less.			Provide an option to allow users to filter the available ride according to their desire (Aurelia) Make it so that carpool offers are sorted when filter changes (Aurelia)
#04 I as a driver, I need to be able to remove passengers from my group should I wish to do so.	Update offer in react native		Delete Passengers(Truong)
